

RECALL NOTICE

Balloon Occasions disposable balloon gas package

BOC has issued a recall of its Balloon Occasions disposable balloon gas package after tests on the rubber nozzle, which attaches to the cylinder and through which the gas is dispensed, revealed a problem with a small number of the nozzles.

If you have purchased the product, and have not used it yet, please arrange to return the unused package to your point of purchase as soon as possible. You will receive a full refund.

BOC has confirmed that the Balloon Occasions gas cylinder is not affected, and neither are any other BOC balloon gas products.

BOC would like to apologise for any inconvenience that this situation may cause you.
