## How to find us

### Road Access

BOC is based on the Surrey Research Park, which is on the outskirts of Guildford on the opposite side of the A3 to the University and Cathedral.

If approaching from London via the A3, take the exit signed to Guildford and the University. At the roundabout just off the A3, take the 4<sup>th</sup> exit heading west under the A3 along Egerton Road towards the Royal Surrey County Hospital and the Research Park. At the traffic lights near the hospital, go straight ahead into Gill Avenue, which leads into Priestley Road. BOC is the first building on the left. The visitor's car park is straight ahead of you as you turn onto the premises; please press the buzzer and reception will let you in to park.

### Rail Access

Guildford is on the main London (Waterloo) to Portsmouth link which provides a fast service. It is about a 40 minute walk from the station to the office and a 10 minute taxi ride; there are plenty of taxis outside the station.
