*Environment and energy surcharge, 300Bar cylinders, oxygen size E and dissolved acetylene size L – GB only **Oxygen size EE and dissolved acetylene size G – NI only

The above gas charges apply for all deliveries and collections from all BOC outlets in United Kingdom.

Special charges apply at some locations, particularly off-shore islands.

Not all cylinder sizes are available in all the stated gases at all locations. Air, propylene, hydrogen, refrigerants, balloon gas, ALUSHIELD®, STAINSHIELD®, food fresh gases and other gas mixtures – prices available on request.

Prices are published or notified to the Customer and will be varied from time to time. Prices quoted are for yearly demand not exceeding 340m³ oxygen and 170m³ dissolved acetylene. Gas charge rates for quantities above this are available on request.

BOC general terms and conditions of supply apply. Normal terms of payment are by direct debit and additional charges may apply for other forms of payment.

All details, prices, charge rates and contract terms for all gases are available on request.

1. A fixed charge is applied to every order for vehicle delivery or customer collection irrespective of the size or type of cylinder supplied.

2. Cylinder rentals

2.1 Monthly rental is available by written request and is suitable for larger holdings.

2.2 The annual rental charge is payable in advance of initial supply and then on anniversary.

2.3 Long term rental (3 or 5 year options) have been reintroduced on small cylinders. This charge is payable in advance of initial supply and then on anniversary, and is available by written request.

3. If the customer returns a BOC cylinder without taking a replacement before the annual rental period expires, a pro rata refund will be made for any whole month(s) unexpired. This applies to annual rental only.

4. Propane is a factored product, the price of which is determined by the ANSI monthly propane index. A surcharge, which will vary up or down based on changes in the ANSI monthly propane index will be added to the price of propane. The current level of surcharge is published at www.BOCOnline.co.uk

5. Prices stated above do not include VAT, which will be charged at the prevailing rate.

6. BOC reserves the right to levy a failed delivery charge of £54.15.
